

NOEL PAUL STOOKEY

OF PETER, PAUL AND MARY

"Stookey lets his music speak for itself..., his repertoire, more inspirational than gospel oriented, is based in human-scaled topics rather than the outward political activism of PPM."

-Daily Variety

"...Not a bludgeon, not a debate, not a polemic, not a slickly packaged one way ticket to Parusia..the choice is more powerfully offered through a life lived... and Noel Paul Stookey is quite good conveying that life in an intriguing and sometimes oblique way-through his music, his humor-through his story and his respect for the sense of searching, of not having all the answers all the time."

-Religious News Service

"Stookey's special, infectious and charming brand of humor..., watching and hearing Stookey sing Puff The Magic Dragon as if he were a kid, a pirate, then a kid again brings out the magic..."
